**SECTION 38 CERTIFICATION – PROPOSED INTERNAL RULE**

Section 38(1) of the *Statewide Treaty Act 2025 (Vic)* requires that, before the First Peoples' Assembly makes an internal rule or a substantive rule (including a rule amending or repealing or revoking such a rule), the First Peoples' Assembly must obtain a certificate from a qualified certifier stating that the person is of the opinion that the proposed internal rule or substantive rule complies with the requirements of that Act relating to internal rules or substantive rules, as the case requires.

**Date of proposed internal rules:** 5 May 2026
